PARENTS/CARERS CODE OF CONDUCT

Parents and other adults have a great influence on children's behaviour and enjoyment in football.

This policy sets the tone for how parents and carers support young players. It encourages respectful behaviour, positive encouragement, and a commitment to fair play—on and off the pitch.

Our parents and supporters must:

- Always be positive.
- Encourage fair play and sportsmanship.
- Respect the officials.
- Respect the coaches and volunteers of both teams
- Respect the rights dignity and worth of all players, including the opposition by treating them equally within the context of the sport.
- Remember that when you are supporting our teams, you are seen to be representing the club. Your behaviour is an example to the players.
